Kitchen and living room

This open-concept kitchen and living area embodies refined Mediterranean minimalism, with a calming palette of soft neutrals and natural textures. The curved, sculptural sofa and armchair invite relaxation, while organic shapes and layered materials create a warm, harmonious atmosphere. The kitchen, seamlessly integrated with the living space, features clean lines, light wood cabinetry, and elegant stone finishes.

Bathroom

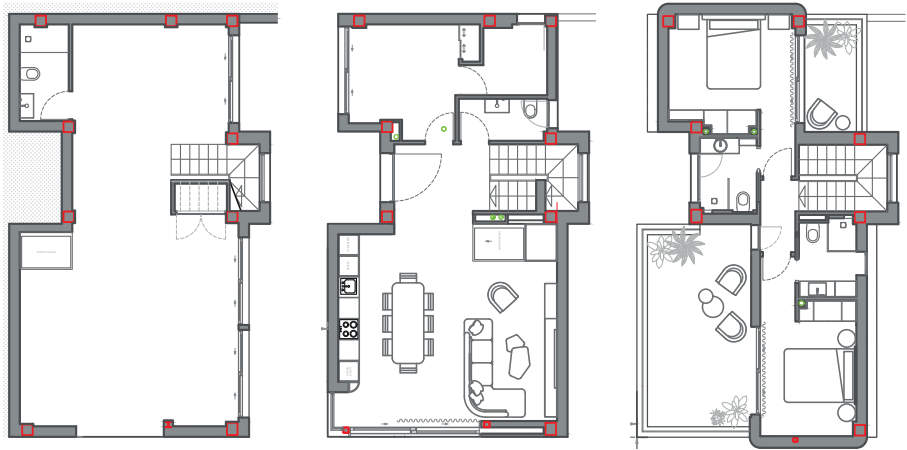

Each villa includes three full en-suite bathrooms—one for every bedroom—along with two additional guest toilets. Designed in the same elegant and serene aesthetic as the rest of the home, the bathrooms combine soft tones, natural textures, and high-end finishes to create spaces of pure comfort and understated luxury.

Bedrooms

The villas feature three elegant bedrooms, each designed with soft tones, refined textures, and a calming, natural aesthetic. One bedroom is conveniently located on the ground floor, ideal for guests or single-level living. The two upstairs bedrooms enjoy access to private balconies or terraces, offering tranquil outdoor space and beautiful Mediterranean light—perfect for quiet mornings or sunset views.

Flooring and Interior finishes

Villas Caliza offers timeless Mediterranean elegance with warm, neutral interiors. Premium kitchens and sleek bathrooms feature high-end finishes. Large windows maximize light and insulation, with integrated lighting adding a modern touch. Every detail ensures comfort and understated luxury.
